Tennis Group Rentals

Health Bridge Fitness Center will allow groups to rent courts prior to our normal booking policies on a limited basis. This will assure that members and non-members have courts reserved ahead of time for events they would like to host. Members have priority booking over non-members with 30-day notice.

Courts may be reserved in two- hour increments on Fridays between 7-11pm, Saturdays between 3-10pm and Sundays 9am-1pm. It is possible that other days/times are available upon request as well. Each rental must be a minimum of two courts. Rental fees will include use of our tennis courts as well as our tennis lounge. Please submit a request for date/time below as some times may be booked with other events. You will be contacted by someone in the tennis department to let you know if your requested time is approved and to finalize the court reservations. Ongoing rental requests may be subject to 3 court rental maximum. 7-day cancellation is required for pre-booked events.
